DOUBLE TOP
Folding elevating roof shown here on Moonraker.

SPACE TOP
Solid sided fully insulated elevating roof, fitted to Caravette.

Eurovette, team of all rounders performance. The base vehicle of above average handling, top quality finish, exceptional vehicle safe

The Transporter has a number of engine and transmission options. Engines include the 78BHP carburettor model and the 112BHP fuel injection engines are available where fuel economy is paramount. 5 speed and more restful progress, and to complete the package, the Syncro 4 wheel drive specified for superior driving performance even under the most adverse conditions few rivals can match.

Devon have been building VW Motorcaravans since 1956, making us an experienced company in the Country. Sound design allied to careful engineering produces vehicles that are a joy to own and a pleasure to use.

Wherever you go, whatever you do, you can always depend on the Caravette. Whether it's ferrying children to school, used as a mobile site office or as a holiday home on wheels the Caravette has the flexibility to cope with the demands made on it.

An extremely versatile interior allows for a double bed with sleeping for up to five, using optional roof bed boards and cab bunk. Maximum seating - all forward facing - is for seven. The standard elevating roof is a choice between the solid sided/insulated 'Space Top' or the ever popular 'Double Top'. The stylish fixed 'Hi Top' roof is available as an option. Comparison of the standard features will show the Caravette to be one of the best value for money vehicles on the road today.

STANDARD FEATURES INCLUDE:

- New 'Space Top' solid sided/insulated elevating roof or 'Double Top' folding roof
- Foldaway cooker
- Gas and 12volt fridge
- Stainless steel sink/drainer with cutlery drawer
- Ingenious forward or rearward facing double seat
- Seating for up to seven, all forward facing
- Sleeps up to five (with roof bed boards and cab bunk options)
- Easy to operate large double bed
- Safe side fitting table
- Inboard water tank with submersible water pump
- Large wardrobe
- Choice of trim colours
- All doors framed in solid wood

MOONRAKER

Firm favourite with motor caravan owners, and a regular best seller, the Moonraker offers flexibility, comfort and ease of use.

Versatility of accommodation is the Moonraker's strong suit. Starting point is the large, easy to operate double bed in the Saloon, that sleeps two adults in comfort.

The optional bedboards in the elevating roof provide an extra double or two singles for family usage and the optional cab bunk enables five to be catered for. A fixed 'Hi Top' roof is available as an option.

A well equipped kitchen features stainless steel gas cooker and sink with draining board, electric water pump combined with a unique water carrier on wheels, cavernous storage lockers, large cupboards, cushioned seat toilet seat box and two-way fridge. Elegant up to the minute interior trim material complements the luxurious woodgrain laminates to make the Moonraker truly a 'home from home'.

STANDARD FEATURES INCLUDE:

- New 'Space Top' solid sided/insulated elevating roof or 'Double Top' folding roof
- Stainless steel sink/drainer
- Stainless steel foldaway cooker
- Large Wardrobe
- Large cantilevered table for four settings
- Dashboard drinks tray
- Ingenious 7 gallon water tank on wheels with submersible electric pump
- Gas and 12volt fridge
- Large double bed with optional double or two singles in roof plus cab bunk
